

Success Story

My Story: Kirt Hignett & Elizabeth Redman

ETL - 220 Personal Customer points.

We run an IT business during the day, maintaining 2 computer stores, but have found that being self-employed is hard work.

ACN helps to build a future income so we won't have to work until we drop. We get to build a business that is transferrable to our children and have fun with some fantastic people on the way.

We have been with ACN for almost 10 years and have seen a lot of changes, and it just keeps getting better.
